Research and Development Cell for Academic Year -2019-20

**Late Bhimrao Chavhan Arts and Science College, Chavhanvadi (Barahali)
Tq. Mukhed Dist. Nanded - 431715.**

Introduction :-

The Research and Development (R&D) Cell at Late Bhimrao Chavhan Arts and Science College, Chavhanvadi (Barahali), aims to foster a culture of research and innovation among students and faculty. It seeks to enhance the academic environment by promoting research activities, supporting development projects, and facilitating the application of research outcomes to real world problems. The cell will play a pivotal role in advancing the institution's research capabilities and contributing to academic excellence.

Objectives: -

- 1. Promote Research Activities:** Encourage faculty and students to engage in research projects and academic studies.
- 2. Support Development Projects:** Provide resources and guidance for development projects related to various disciplines.
- 3. Enhance Research Skills:** Offer training and workshops to improve research methodologies and techniques.
- 4. Facilitate Collaboration:** Foster partnerships with other institutions and industry for collaborative research.
- 5. Disseminate Research Findings:** Organize seminars, conferences, and publications to share research outcomes with the academic community.

Scope: -

- Research Funding: Securing grants and funding for research projects.
- Research Training: Organizing workshops and seminars on research methodologies.
- Project Development: Supporting development projects from conception to implementation.
- Collaborations: Establishing partnerships with other academic institutions and industries.
- Publication and Dissemination: Assisting in the publication of research findings and organizing academic events.

Mobile - 9730906494

Importance: -

Academic Advancement: Enhances the academic profile of the institution through impactful research.

Student Development: Provides students with opportunities to engage in meaningful research activities.

Faculty Growth: Supports faculty members in their professional development and research endeavours.

Institutional Reputation: Contributes to the institution's reputation as a centre of academic excellence.

Community Impact: Applies research findings to solve local and global issues, benefiting the community.

Formation of the Cell

Sr. No	Name	Designation	Post
1	Dr. Rathod S. L.	Principal	Chairman
2	Dr. Chavan D. G.	NAAC Coordinator	Coordinator
3	Dr. Hawa A. G.	IQAC Coordinator	Coordinator Member
4	Dr. Rapanwad S. R.	Assistant Professor	Member
5	Dr. Attar M. H.	Assistant Professor	Member
6	Asst. Prof. Saknure S. H.	Assistant Professor	Member
7	Asst. Prof. Sonkamble B. G.	Assistant Professor	Member

Conclusion:

The Research and Development Cell at Late Bhimrao Chavhan Arts and Science College, Chavhanvadi (Barahali), is a strategic initiative designed to promote a robust research culture and enhance the academic environment. By setting clear objectives, outlining its scope and importance, and establishing a structured formation, the cell aims to drive innovation, support development projects, and facilitate academic collaboration. The successful implementation of this cell will contribute significantly to the institution's growth and its impact on the broader community.
