yourself in the Service of others:**

- Mahatma Gandhi

Profile

Er. SHESHRAO BHIMRAO CHAVAN

Ex General Secretary

Maharashtra Pradesh Congress Committee Mumbai

BRIEF WRITE UP

I have been an active and committed member of the Indian National Congress since the last thirty years, holding various posts at the district and state level. I have the capacity, Strength and merit to organise the Banjara community to further the electoral interest of our party.

I am glad to inform you that I am a Graduate Engineer and had served on different posts in Irrigation Department, Govt. of Maharashtra. As per the instruction of **High Command I had filled my nomination papers of Hingoli Parliamentary Constituency** in May - 2004. However, that post was given to the **Nationalist Congress Party during Compromise.**

I have faithfully fulfilled the responsibilities and position given to me by the party from time to time. In 2008 I served as the General Secretary of the Maharashtra Congress Committee, in-charge of Aurangabad District and as the party inspector of Yavatmal District. Moreover, I have always been active in local bodies, assembly, Lok Sabha elections, party agitations, camps and meetings.

Similarly, During the Legislative Council Election (MLC) my name was recommended by our party from the nanded Local Sector. However dispute arose between 2 seats viz. Pune and Nanded. **It is Pertinent to note that the Congress had a total strength of 150 members whereas the NCP had only 30 members. Still the Nanded Seat was awarded to the NCP. I supported the NCP candidate** as per the instruction of the High Command and ensured his Victory.

In the 2009 Assembly elections of Maharashtra I was denied the opportunity to contest at the last moment. There after in the year 2014, 2019 I requested for the membership but could not get an opportunity from the party. In spite of that I am working actively as party worker.

Yours
Er. Sheshrao Chavan

Distribution of free sewing machines for employment generation to the economically backward women in rural areas and establishment of free handicraft Center for employment along with promotion of traditional handicrafts.

During the dry drought in Maharashtra in 2019, drinking water was supplied to many village wadi tandyas by 25-30 tankers at their own cost in Mukhed TalukaDist. Nanded

Free masq Distrubution of corona virus covid-19 in the year 2020 through Eng. Sheshrao Chavan Some of the occasional moments in which food grains and health awareness were provided to the needy.
