

Activity Report: Digital Literacy Campaign

Date: February 14, 2020

Participants: 55

Introduction:

A Digital Literacy Campaign was conducted to educate students about the significance of digital tools and internet safety. The campaign aimed to bridge the digital divide and enhance students' knowledge of emerging technologies.

Aims and Objectives:

- To increase awareness about digital tools and resources.
- To educate students on cybersecurity and safe internet practices.
- To encourage the responsible use of digital platforms for learning.

Importance:

Digital literacy is essential for students to navigate the modern technological world. Understanding digital tools and cybersecurity ensures safe and efficient use of online resources.

Functions:

- Awareness sessions on internet safety and cyber threats.
- Demonstrations on digital tools and online learning platforms.
- Hands-on practice with essential digital applications.

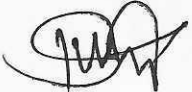

Details of Activity:

The campaign included expert talks, interactive sessions, and practical training on using digital tools. Students learned about cybersecurity measures, responsible internet usage, and how to leverage digital platforms for academic purposes.

Conclusion:

The campaign effectively increased digital awareness among students, equipping them with the necessary skills to use digital resources safely and effectively. Participants found the sessions highly informative and beneficial.
