E-Waste Management Policy

Introduction:

Late Bhimrao Chavhan Arts & Science College, Chavhanvadi, is committed to promoting environmental sustainability and responsible waste management. This policy outlines the procedures for managing electronic waste (e-waste) generated within the college premises.

Objectives:

- To minimize the environmental impact of e-waste.
- To promote the safe and responsible disposal of electronic devices.
- To ensure compliance with legal and environmental regulations regarding e-waste management.

Scope:

This policy applies to all electronic devices and components used within the college, including but not limited to:

Computers and peripherals (monitors, keyboards, printers, etc.)

Mobile phones and tablets

Audio-visual equipment (projectors, speakers, etc.)

Laboratory equipment

Batteries and other electronic accessories

E-Waste Classification

E-waste shall be classified into the following categories:

Recyclable: Devices or components that can be processed for materials recovery.

Reusable: Equipment that can be refurbished and used again.

Non-recyclable/Non-reusable: Items that must be disposed of safely.

E-Waste Collection and Storage

Collection Points: Designated collection points shall be established in the college, where students, staff, and faculty can deposit e-waste.

Principal

Late Bhimrao Chavan Art's &
Science College Chavanwadi(Barahali)
Tq.Mukhed Dist.Nanded

Partnership with Certified Recyclers: The college shall collaborate with certified e-waste recyclers to ensure proper disposal and recycling of e-waste.

Data Destruction: Before disposal, all data on electronic devices will be securely erased to protect sensitive information.

Non-recyclable Disposal: Non-recyclable e-waste will be disposed of in accordance with environmental regulations, ensuring no harm to the environment.

Information on e-waste disposal methods will be made available through college notices and online platforms.

1. Monitoring and Reporting

The college administration will maintain records of e-waste generated and disposed of.

Annual reports will be prepared to evaluate the effectiveness of the e-waste management program.

2. Compliance and Review

This policy complies with all relevant local, state, and national e-waste regulations.

The policy will be reviewed annually to ensure it remains up-to-date and effective.

3. Contact Information

For any queries or assistance regarding e-waste management, please contact the College Administration Office.
